Our pancake breakfast was a wonderful success. We'd like to thank everyone for their support!

Our new engine 1310 is almost done in Medford. It was delayed due to a parts mix up between the shop and a supplier and then the holidays. If all goes according to plan and weather permitting it should be back at the station by the 7th of Jan. We've been ordering equipment for it, and it should be fully in service by the end of the month.

We promoted officers at our officer's meeting. My current officers are Captain Breanna Buker, Captain Brad Leiferman, and Lieutenant Samantha Hess. These individuals bring with them many years of fire and EMS experience and I'm glad to have them assisting in leading the department.
